

Global Apostolic Alliance Statement on Marriage and Sexuality

We recognize the Bible as the true, living and active Word of God to be our absolute standard in all aspects of life, containing the revelation of God and His plan for our redemption and regeneration. Based upon this fundamental standard, we make the following affirmation regarding marriage and sexuality:

1. The Bible teaches sexual intimacy may only be expressed in the context of a monogamous marriage between one man and one woman.
2. For those not in a monogamous heterosexual marriage relationship, chastity is the Biblical standard.
3. Sexual relationships outside the boundaries of such a marriage are defined as sin.
4. While the Bible speaks clearly against sexual sin such as lust, adultery, polygamy and homosexuality, it also clearly shows there is forgiveness, cleansing and victory for those who will repent and become a “new creation” in Christ.
5. The continuing practice of any sexual deviancy is inconsistent with the Biblical standard and will exclude that person from holding any credentials as a minister of the Gospel with Omega Team.
6. We recognize the need to treat all people with respect and dignity and with the compassion of Christ.
7. We reserve the right to refuse to perform a wedding service that does not conform to the Biblical standard or goes against our conscience.
